ALBANY Soroptimist News

By BEA RAYMOND

The weekly meeting of the Albany Soroptimist Club was held June 9, 1948. After the usual opening ceremonies, President Bea Williams, Albany Radio, introduced Violet Richardson Ward, superintendent of Health and Physical Education of the Berkeley schools. Violet has the distinction of being the first president of a Soroptimist Club in the entire world. When the first club was formed in Oakland, Violet was the very first president. She is very much interested in the Girl Scout movement for the Berkeley-Albany-Kensington District. As that happens to be one of the projects of the Albany Soroptimist Club and possibly may become our major project, we were all ears. It is customary for Soroptimist Clubs to have a vacation immediately following the business meeting in July and taking up the work again the first meeting in September. However, this is optional with the clubs. Our club voted to take the vacation as many of our members expected to be out of town during the vacation period. Dear me, how I do envy those lucky gals. The next order of business was to instruct our President.

A quartet composed of Bonnie Jean Lewis, Irma Black, Bonnie Hephlinger, and Janet Dixon sang two numbers.

Team Loses Twice

By WALTER HOLLAND

Although Albany Post No. 292, The American Legion Senior Jr. Baseball Team has lost two games in the official Tenth District play, the team is still in the running.

The team standing is: Won 1, lost 2.

Last Saturday Albany took the San Leandro team 11 to 0, the game being featured by the pitching of Billy Castel, who struck out 16 of the San Leandro boys and let them down with four hits and only one San Leandro player reached second base. The Albany boys gave Castel errorless support. The game was played in Albany. After the game all the boys attended the All Star game at the Oakland Coast League Park.

Sunday the Albany team was taken by the Bill Erwin Post team 6 to 5. Albany Post went into the ninth inning leading 5 to 4. With two down in the ninth, two walks, a single and a double gave the game to the Bill Erwin team. The game was a thriller all the way.

The schedule for this week end, June 12 and 13, calls for Albany Post playing Humphrey's Post team at Bushrod No. 1 Park at 1:30 p. m. and Washington Township Post playing Albany at the Albany Memorial Park at 1:30 p. m. The Sunday game in the Albany Park will be the only Sunday game scheduled for Albany during the current Legion series and a large crowd is expected to overflow the bleachers in the Albany ball field.

Bathing suits of the vintage of 1900, manufactured by the late J. J. They were supplied by Pfister's granddaughter, Mrs. L. L. Keck, publicity director of the group. Our Own Letter OF INTRODUCTION TO THE PEOPLE OF ALBANY

DEAR SHOPPER:

Although in the midst of alterations and modernization we are still open for business. Streamlining the fixtures and store front is only a step in our operation, we are also streamlining the merchandise we select, to meet the ever increasing demand for finer quality and styling.

Our neckties are supreme in pattern and design, our socks are selected to meet your taste. Nationally advertised shirts both sport and dress are fit for a king, to say nothing of the quality in our 100% all wool slacks, sport coats and top coats.

These and many other top items are right in your line of thought taste, but finer than our quality of merchandise is our PRICES. For eighteen years we have fought high prices and now we feel we have almost won our battle. Keeping our overhead low is the first step in reducing prices on merchandise.

We feel that in our present expansion and yet altogether different unit enables us to set low prices which will meet with your budget and yet give you the quality merchandise you are seeking. Our service to the man and boy on the street is the aim of our success. A satisfied customer is a friend made. We have many friends, and we desire that you too will become one of them.

SOROPTIMIST NEWS

(Continued from page one)

elect, May Ellis Olson, Ellis Olson Mortuary, and Irene Villa, Villa Motors, delegates to the bi-annual convention to be held in Toronto, Canada, in July. Our instructions were many, probably the most important one was: "To do the best they can." The good old "Happy Birthday" song was tendered to Maryanne Loos and Louise White whose birthdays happened to be today. Of course these songs are nice but you still have to pay a buck for having a birthday which, of course, takes a might of pleasure out of the song. I know because having a birthday next Sunday and the girls being so darned afraid they would not get the buck, they gave me the good old razz but I don't care as Violet Richardson Ward paid my buck.

ALBANY NOTES

By C. B. L.

War Hero, Navy Lieutenant John Kenneth Walker, whose flag draped coffin came into the Golden Gate last week aboard the USS Cardinal O'Connell was beautifully memorialized by Hal Johnson in the Berkeley Gazette. Of Lieutenant Walker, son of Mr. and Mrs. Claxter Walker, 510 Santa Fe Ave., we quote: "He received full Naval honors on rain-drenched, wind-blown Guadalcanal December 26th, 1943. He was picked up dying on Christmas Eve and passed away while his companions were dreaming of the Yuletide trees in their mainland homes."

The Veterans of Foreign Wars are sponsoring a drive to help flood-stricken people in the Oregon disaster region. Those wishing to donate money or clothes are requested to leave same at the Albany Fire House. The drive will end June 15th. According to Mayor Frank V. Hays.

A heartbreaking loss. Albany Merchants baseball team took the short end of 3-2 at Rodeo after a win streak of six. Next Sunday Albany will play San Leandro at James Kenny Park in Berkeley at 2:30 p. m.

E. Bay Sewer Program Now Progressing

Steady progress is being made on the sewage disposal project for the six East Bay cities of Oakland, Berkeley, Alameda, Albany, Emeryville and Piedmont, which comprise Special District No. 1 of the East Bay Municipal Utility District according to William D. McNevin, director.

Construction work is under way on the North Interceptor which parallels the Eastshore Highway from the County line through Albany, Berkeley, Emeryville and Oakland to the sewage treatment plant at the foot of 34th Street in Oakland. The contractor is laying 54-inch diameter reinforced concrete pipe on Section 2 of this interceptor. Pipe on this section varies from 42 to 54 inches in diameter and will be installed from Buchanan Street in Albany to Hearst Avenue in Berkeley.

Bids were received on June 9 for the furnishing of 7,100 feet of 54 to 66 inch diameter reinforced concrete sewer pipe for Section 3 of the North Interceptor from Hearst Avenue to Potter Street in Berkeley, and for the installation of the pipe.

Five new sewage pumps operated by 500 horsepower motors and having a capacity of 42,000 gallons per minute each, are now being manufactured as well as the bar screens for the raw water sewage and the water screens for the effluent.

Citizens of Albany

The Fourth of July city-wide celebration will soon be here. May 1 at this time thank the merchants and organizations who have so readily contributed to make such a program possible.

May I also urge those who plan to contribute, but have not yet done so, to mail checks to Mrs. Higgins at the City Hall as soon as possible. Make checks payable to "Albany Fourth of July Committee." Thank you.

MILTON GORDON,
Chairman, Finance Committee.

THANKS

Through the Albany Times I wish to express my thanks to the Democratic voters of the City of Albany and the 18th Assembly District for their support at the polls on June 1st. I received sufficient votes to land in third place in a field of thirteen candidates which elected me as a member of the Democratic County Central Committee for Alameda County.

The result is particularly gratifying to me for the reason that I was an independent candidate, not endorsed by any group or faction. I feel that it was an expression of confidence in my political integrity, and am duly grateful to the voters for the same.

Albany Calif., June 6th, 1948.
(Signed) LOUIS J. HARDIE.

As Chairman of the Publicity Committee of the Marin Dads Club, I wish to take this opportunity to express my appreciation for the splendid cooperation that you have shown us by publishing so many of the news items that have been sent in for publication during the past year.

We feel that the many events held by the Marin Dads during the past year, were a greater success by reason of the publicity given us.

Yours very truly,
WILLIAM J. KEATING.

Pre-School Dads Thanked for Work

Following the pot-luck supper for the Dads last Friday night, members of the Albany Pre-School Mothers Club entertained with a skit entitled, "If Men Played Bridge as Women Do"; a round of community singing and an impromptu quartet; a bathing beauty chorus, circa 1900; and a blackface routine, done by Al Liotta, who also doubled as Master of Ceremonies.

Thanks were paid the Dads for their splendid help in painting and repairing, and for hours of work on paper drives, all in the interest of the pre-school.

Early season efforts of "Smokey," the Fire Preventin' Bear got off to a flying start in Sacramento today when Governor Earl Warren officially opened the 1948 campaign to prevent forest, range, and watershed fires. Representatives of the California Fire Prevention Commit-

tee, a citizens' group made up of more than 85 private and governmental concerns, that met with Governor Warren include Chairman DeWitt Nelson, State Forester; (holding poster) and from left to right William H. Fairbank, Campaign Director; Harry W. Ste-

wart, Division Manager, Shell Oil Company, also representing the California State Chamber of Commerce; Harry E. Owens, Division Manager, Pacific Telephone and Telegraph Company; Henry Cline-schmidt, President, Associated Sportsmen of California; and W. L. Huthinson, U. S. Forest Service

Alameda County is \$54,228.73 richer today as a result of tax money received from the Federal Housing Authority and the City of Oakland Housing Authority. Chairman Harry Bartell of the County Supervisors reports that the money came to the county through the offices of the Oakland Housing Project, Edmund Horwinski, executive director.

IN TRAIN WRECK
Edward and Grace Marshall of 918 Adams St. were shaken and narrowly escaped death May 31st. at Carlsbad, New Mexico, when the coach they were riding in, overturned and was partly submerged in water. According to Mrs. Marshall, flood had caused the track to wash away, overturning the engine and three cars, instantly killing the engineer, the fireman passing away next day. The Mar-

shalls were returning from a three weeks vacation in Texas, where they had visited their daughter, La Verne Alexander, (nee La Verne Andrews) and had stopped to visit Carlsbad Caverns on the way home.
